

## Browse Classes

Use this section to browse the current class schedule by term at New England College. This section may be used for term-accurate class availability and details.

### Search Parameters

**Enter Your Search Criteria**

Term: Fall 2025 Semester

Subject

Course Number

Keyword

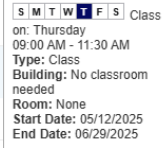

[▶ Advanced Search](#)

Leaving the fields blank and clicking *Search* will retrieve all classes available in the term.

To narrow down your query, use the *Subject*, *Course Number*, or *Keyword* fields. You may also use *Advanced Search* for more options.

### Understanding the Search Results

Search results will display as a list. The number of open seats in a class is in the *Availability* column. Hover over the *Meeting Times* to view the section details pop-out. Click the instructor's name to contact them directly by email.

Subject Des	Subject	Course	Title	Section	Hours	CRN	Instructor	Meeting Times	Availability	Campus	Schedule Ty	Attribute
